^{*} Appointed as an Independent Director w.e.f. 1st April, 2016

FROM THE DESK OF CHAIRMAN & MANAGING DIRECTOR

Dear Members,

On behalf of the Board of Directors and Management, it gives me immense pleasure in sharing your Company's progress and performance highlights for the F.Y. 2016-17 that was outstanding and reflecting in record of net profit. I would like to express my gratitude to everyone for their hard work they have put in to achieve this.

This year has been a highly eventful with external headwinds that impacted on business performance. The global economy faced uncertainties and adverse impact in the form of geopolitical events like Brexit, US Presidential elections. Further, in the second half of the year, the Government's demonetization initiative adversely impacted on the cash-based Indian Economy and further overall market showed signs of recovery in the latter half of the year but faced a temporary slowdown in November.

Despite these macro uncertainties and challenging business environment, your Company has delivered outstanding and excellent performance in F.Y. 2016-17 and achieved a highest and remarkable profit since last 10 years because of the core values developed by the Company i.e. integrity, excellence, teamwork, social commitment, consistent, competitive and responsible growth. We will continue to strengthen our core values to build a rich legacy of corporate governance & transparency and create value for all stakeholders. We believe that these core values, particular in times of uncertainties, is the best long term interest of all our stakeholders and a good indication of robust strategy.

Further your Company's continued focus on cost reduction and productivity enhancement initiatives supported by market buoyancy have resulted into considerable gains both in revenues as well as profitability and also we have enhanced our product offerings and reached out to specific profitable segments successfully.

During the year, Ministry of Corporate Affairs (MCA) made an announcement to conduct a "Swachh Bharat Abhiyan" under the theme of "Corporate volunteering by private organizations and corporate entities" which is an integral part of "Swachh Bharat" mass movement proposed by Hon'ble Prime Minister Shri Narendra Modi wherein all the employees of Head office and different units of the Company voluntary participated to carry out "Swachh Bharat Abhiyan" under the aforesaid theme during the period from 16th June, 2016 to 30th June, 2017.

Financial and Operational Performance of Business:

Your Company is operating in multiple areas and historically one area takes care of other operating areas in case of negative factors, if any. This multiplicity of operations is thus minimizing the operating eventualities.

In F.Y. 2016-17, your Company posted strong performance, with a Revenue of ₹ 3379.07 crores, EBITDA ₹ 293.58 crores and Cash Profit after tax ₹ 229.97 crores. Your Company continues to be the most profitable Company in the agro based and manufacturing industry during its last ten years performance, with a net profit of ₹ 158.55 crores.

Further, I am pleased to inform you that, the Cotton Yarn Division had the maximum negatives in past few years. But during the F.Y. 2016-17, this segment has performed extremely well and generated revenue growth of about 26%. The top line growth of this segment is further applauded as the domestic as well as international prices of yarn have rationalized down as per the input cost and the Company has managed huge jump in revenue by better capacity utilization and higher yield with advanced technology.

In keeping with our tradition of directing surplus cash and consistently rewarding the shareholders, the Board has recommended a final dividend @ 40% i.e. $\neq 0.80$ /- per equity shares of $\neq 2$ /- each subject to the approval of shareholders at the ensuing Annual General Meeting for the F.Y. 2016-17.

In addition to this, your Company had also rewarded shareholders by taking the decision of capital allocation by way of buyback of equity shares up to 2,36,84,210 of ₹ 2/- each at a price of ₹ 95/- per equity share through Tender Offer route, with an objective to return surplus cash to the shareholders, achieve long term benefits viz. optimize the capital structure resulting into improved ratio reduction in outstanding shares, improvement in earnings per share and enhanced return on invested capital. As a result, the market share price of your Company increased and reached to highest price level of 52 weeks for the F.Y. 2016-17.

New Project:

Your Company is glad to share with you that the corn milling unit of the Company at Chalisgoan is under final stage of implementation and the commercial production is expected to commence soon in near future.

Outlook:

Overall, your Company remains confident and continues to see several opportunities in the agro based product and manufacturing activities and also expecting good monsoon during this current year. Thus your Company is confident of growth from each one its segment on the back of improving market conditions. Therefore the management has put in plans to enhance operating efficiencies, which will allow your Company to scale new heights in performance.

On behalf of the Board of Directors, I would like to take this opportunity to acknowledge the entire team of your Company for their contribution and commitment. Lastly, I am deeply thankful to our customers, business associates, suppliers, bankers and legal authorities for their loyalty and trust in us. Also my sincere appreciation to all our shareholders for continued support in our journey to create long-term value.

With best wishes, Sincerely, Vijaykumar Gupta

Note:

- a. For F.Y. 2010-11, Interim Dividend @ 30% p.a. was approved at the meeting of Board of Directors held on 1st February, 2011 and was paid as interim dividend and the same was approved/ confirmed by the Members at the 20th Annual General Meeting held on 1sth August, 2011.
- b. For F.Y. 2011-12, Interim Dividend @ 30% p.a. was approved at the meeting of Board of Directors held on 6th February, 2012 and was paid as interim dividend and the same was approved/ confirmed by the Members at the 21st Annual General Meeting held on 29th September, 2012.
- c. For F.Y. 2012-13, Interim Dividend @ 40% p.a. was approved at the meeting of Board of Directors held on 21st July, 2012 and was paid as interim dividend and the same was approved/ confirmed by the Members at the 22nd Annual General Meeting held on 14th September, 2013.
- d. For F.Y. 2013-14, Interim Dividend @ 35% p.a. was approved at the meeting of Board of Directors held on 26th October, 2013 and was paid as interim dividend and the same was approved/confirmed by the Members at the 23rd Annual General Meeting held on 13th September, 2014.

- e. For F.Y. 2014-15, Interim Dividend @ 42% p.a. was approved at the meeting of Board of Directors held on 6th September, 2014 and was paid as interim dividend and the same was approved/ confirmed by the Members at the 24th Annual General Meeting held on 12th September, 2015.
- f. For F.Y. 2015-16, Interim Dividend @ 40% p.a. was approved at the meeting of Board of Directors held on 30th January, 2016 and was paid as interim dividend and the same was approved/ confirmed by the Members at the 25th Annual General Meeting held on 10th September, 2016.
- 11. In terms of the provisions of Sections 124, 125 and other applicable provisions of the Companies Act, 2013, the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, ("Principle Rules, 2016") was notified on 5th September, 2016, further amended by the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Amendment Rules, 2017, ("Principle Rules along with IEPF Rules") which was notified on 28th February, 2017. The Principle Rules along with IEPF Rules provides that the amount of dividend remaining unpaid or unclaimed for a period of 7 (seven) years from the due date is required to be transferred to the IEPF, constituted by the Central Government. Further it also provides the manner of transfer of shares in respect of which dividend has remained unpaid or unclaimed for 7 (seven) consecutive years by the shareholders, to Demat Account of the IEPF Authority.
- 12. In compliance with Principle Rules along with IEPF Rules, the Company had sent reminder letters to those shareholders who have not encashed dividend for a period of 7 (seven) years and whose shares are liable to be transferred to IEPF and simultaneously published advertisements in newspapers on 29th October, 2016 and also on 1st May, 2017, to enable the shareholders to make a valid claim for encashment of dividend. In absence of any valid claim, the respective shares are liable to be transferred to Demat Account of the IEPF Authority.
- 13. The Ministry of Corporate Affairs (MCA) on 27th April, 2017, came up with clarification on "Transfer of Shares to IEPF Authority", wherein amongst other matters, National Securities Depository Limited (NSDL) will prescribe the file formats and operational procedures for transfer of shares to special demat account of the IEPF Authority by 30th April, 2017 and 15th May, 2017 respectively and the due date for transfer of such shares by your Company was 31st May, 2017.
- 14. However, MCA came up with another circular on 16th May, 2017 and notified that the aforementioned circular on 27th April, 2017 stands withdrawn with immediate effect and further stated that fresh instructions on the matter shall be issued in due course of time. Accordingly, the Company has provided time to all the shareholders who have not claimed any unclaimed / unpaid dividends for the last 7 (seven) years and to whom the Company had given intimation earlier in the manner prescribed under Rule 6 of the Principle Rules along with IEPF Rules and to all other shareholders who have not encashed any unpaid / unclaimed dividends. In case of non receipt of valid claim, the respective shares need to be transferred to the 'IEPF Demat Account' of the IEPF Authority.
- 15. In the event of transfer of shares and the unclaimed dividends to IEPF, members are entitled to claim the same from IEPF by submitting an online application in the prescribed e-Form IEPF-5 available on the website (www.iepf.gov.in) and sending a physical copy of the same duly signed to the Company along with the requisite documents enumerated in the e-Form IEPF-5. It is advised to read the instructions given in the help-kit carefully before filling the form. Members can file only one consolidated claim in a financial year as per the Principle Rules along with IEPF Rules.
- 16. Pursuant to the provisions of the Investor Education and Protection Fund (uploading of information regarding unpaid and unclaimed amounts lying with Companies) Rules, 2012, the Company has uploaded the details of unpaid and unclaimed amounts of dividend lying with the Company as on 10th September, 2016 (date of last Annual General Meeting) on the website of the Company (www.ambujagroup.com) and also on the website of Ministry of Corporate Affairs (www.iepf.gov.in).
- 17. All documents referred to in the Notice are available for inspection at the Registered Office of the Company during office hours on all working days between 11.00 a.m. to 1.00 p.m., except Sundays and holidays, upto the date of Meeting and will also be available at the venue of the Meeting. Copies shall be also available for inspection in electronic form on request during the time mentioned above.

ITEM NO. 7

Revision in terms of remuneration of Shri Manish Gupta, Managing Director of the Company

Shri Manish Gupta, aged 45 years, with graduation in commerce and managerial experience of 26 years, is young and dynamic entrepreneur. He joined the Company as Director w.e.f. 21st August, 1991. He is one of the promoter and main contributory to the growth and development of Gujarat Ambuja Exports Limited ("the Company"), having net worth of more than ₹853 crores with a turnover of ₹3379 crores (financial year 2016-17). He is a perfect executionist of the mission and vision of the Company. Shri Manish Gupta who is well-versed in understanding Agri products markets as well international market, is equally excellent in ensuring growth by improving productivity, cost control, large size operations & consistently improving quality. His vision on development of Export - Import trade, increasing presence of the Company and its products worldwide and thorough competence in EXIM Policy, Forex and Monitoring Manufacturing operations are unmatched. Shri Manish Gupta has developed a core team to head all the strategic business units and has hands on approach to manage the business. Shri Manish Gupta is overseeing the day-to-day functioning of the Company at all levels. He also holds Directorships in other companies namely Maharashtra Ambuja Exports Limited, Maharashtra Ambuja Biotech Limited, Royale Exports Limited (Srilanka), Jay Agriculture and Horticulture Products Private Limited and Jay Ambe Infra Projects Private Limited. He is Chairman of Risk Management Committee of the Company. He is also a member in Share Transfer Committee, Corporate Social Responsibility Committee, Investment Committee and Internal Committee of the Company. He is related with Shri Vijaykumar Gupta

and Smt. Sulochana Gupta, the Directors of the Company and Shri Mohit Gupta being a relative. As on 31st March, 2017, he holds 3,75,85,230 equity shares of ₹ 2/- each of the Company.

Shri Manish Gupta, Managing Director of the Company was re-appointed pursuant to provisions of Sections 196, 197, 203 read with Schedule V to the Companies Act, 2013 (corresponding Sections 198, 269, 309 & 310 read with Schedule XIII of the erstwhile Companies Act, 1956) by the Members in the 22nd Annual General Meeting held on 14th September, 2013 for a period of 5 (five) years with effect from 28th December, 2013 to 27th December, 2018. Further, variation in the terms of appointment of Shri Manish Gupta was considered and approved by the Members in the 23rd Annual General Meeting held on 13th September, 2014.

Further in terms of point (i) of second proviso of Section 197 of Comapnies Act, 2013, a Company having profit in a financial year, may pay remuneration to any one managing director or whole-time director or manager by way of salary, perquisites, commission and other allowances which shall not exceed 5% of the net profits of the Company and if there is more than one such director, remuneration shall not exceed 10% of the net profits to all such directors and manager taken together.

As recommended by the Nomination and Remuneration Committee and the Board of Directors in their respective meetings held on 13th May, 2017 and considering the strategic role being played and in recognition of the key initiatives taken by Shri Manish Gupta in enhancing the competitiveness of the Company's operations, the amount of remuneration payable for the financial year 2016-17 to Shri Manish Gupta exceeds 5% of net profits of the Company. Accordingly, pursuant to the provisions of Sections 196, 197, read with Schedule V and other applicable provisions of the Companies Act, 2013, the approval of the Members in General Meeting is required to be obtained for payment beyond 5% of net profits as specified under the Companies Act, 2013. However, the remuneration payable by the Company shall be within the perscribed limits of total managerial remuneration payable to all such Managing Director / Whole-Time Director / Manager in aggregate under Section 197 read with Schedule V of the Companies Act, 2013.

Further, Nomination and Remuneration Committee and the Board of Directors in their respective meetings held on 29th July, 2017, have approved excess remuneration beyond 5% payable to Shri Manish Gupta, Managing Director of the Company w.e.f. 1st April, 2016 for the remaining period of his present term of re-appointment upto 27th December, 2018, subject to the approval of Members at this ensuing Annual General Meeting. Managerial Remuneration payable to Shri Manish Gupta is in excess of limits requiring Members' approval in terms of point (i) of second proviso of Section 197 of the Companies Act, 2013, however this is within the prescribed limits of total managerial remuneration payable to all Managing Director/Whole-Time Director/Manager in aggregate under Section 197 of the Companies Act, 2013.

Except for the aforesaid revision in remuneration as set out in the Notice, all other terms and conditions of his re-appointment as the Managing Director of the Company, as mentioned in the Ordinary Resolution passed at the 22nd Annual General Meeting held on 14th September, 2013 and variation in the terms of his appointment, as mentioned in the Ordinary Resolution passed by the Members at the 23rd Annual General Meeting held on 13th September, 2014, shall remain unchanged.

Details of remuneration paid to Shri Manish Gupta during the financial year 2016-17 have been disclosed in the Annexure to the Directors' Report and in the Corporate Governance Report. Disclosure under Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard-2 issued by the Institute of Company Secretaries of India are set out in the Annexure to the Explanatory Statement.

Accordingly, consent of the Members is sought for passing Special Resolution as set out in this item of the Notice for revision in terms of remuneration of Shri Manish Gupta, Managing Director of the Company.

The draft Supplemental Agreement to be entered into between the Company and Shri Manish Gupta for revision in terms of remuneration is available for inspection between 11.00 a.m. to 1.00 p.m. during office hours on all working days except Sundays and Holidays at the Registered Office of the Company.

Shri Manish Gupta, Managing Director of the Company may be considered to be concerned or interested in the said resolution as also in the draft Supplemental Agreement since it relates to his own revision in terms of remuneration. Shri Vijaykumar Gupta and Smt. Sulochana Gupta may also be considered as concerned or interested in the same, being relatives of Shri Manish Gupta. None of the other Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the said resolution.

ANNEXURE-A TO DIRECTORS' REPORT: REPORT ON CORPORATE GOVERNANCE

Corporate Governance refers to mechanisms, processes and relations by which corporations are controlled and directed. It is a systematic process driven by the ethical conduct of the business and affairs of an organisation aimed at promoting sustainable business and enhancing shareholders value in long term. It brings direction and control to the affairs of the Company in a fashion that ensures optimum return for stakeholders. It is the broad framework which defines the way the Company functions and interacts with its environment. Implementation of good governance indicates not only the compliance of the laws and regulations of the land but also indicates the values, practices and culture of your organization. As a result, it brings into focus the fiduciary and trusteeship role of the Board to align and direct the actions of the organisation towards creating wealth and stakeholder value. Good Governance ensures that the best corporate practices are followed by a Company.

1. Company's philosophy on Code of Corporate Governance

The philosophy underlying Corporate Governance seeks to create a system of "Checks and Balances" based on transparency, accountability, integrity, clarity, and consistency in the dealings of the Company with its stakeholders. We believe that good Corporate Governance emerges from the application of the best and sound management practices and compliance with the laws coupled with the adherence to the highest standards of transparency, accountability and business ethics. Our governance practices are a product of self-desire, reflecting the culture of trusteeship that is deeply ingrained in our value system and reflected in our strategic thought process.

Corporate Governance is a journey for constantly improving sustainable value creation and is an upward moving target with a view to translate opportunities into reality. We believe in abiding by the Code of Governance so as to be a responsible corporate citizen and to serve the best interests of all the stakeholders. The primary objective is to develop and adhere to a corporate culture of harmonious and transparent functioning, increasing employee and client satisfaction and enhancing shareholders' wealth by developing capabilities and identifying opportunities that best serve the goal of value creation.

In line with this philosophy, the Company continuously strives for excellence through adoption of best governance and disclosure practices. The Company has adopted the Code of Conduct and Business Ethics for Employees, Board Members and Senior Managerial Personnel and also the Whistle Blower Policy in due compliance of Regulations 17 and 22 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "Listing Regulations") and in pursuit of excellence in Corporate Governance. These codes are available on the Company's website. The Company's corporate governance philosophy has been further strengthened through the code of practices and procedures for fair disclosures of unpublished price sensitive information and code of conduct to regulate, monitor and report trading by insiders pursuant to SEBI (Prohibition of Insiders Trading) Regulations, 2015. The Company believes in timely and adequate information and protection to minority shareholders.

Above all, we believe that Corporate Governance must balance individual interest with corporate goals and operate within accepted norms of propriety, equity, fair play and sense of responsibility & justice. Achieving this balance depends upon how accountable and transparent the Company is. Accountability improves decision making. Transparency helps to explain the rationale behind decisions and thereby creating long term value for our shareholders, our people and our business partners. The above principles have been the guiding force for whatever we do and shall continue to be so in the years to come.

ANNEXURE-B TO DIRECTORS' REPORT: MANAGEMENT DISCUSSION AND ANALYSIS REPORT

CAUTIONARY STATEMENT

Statements on the Management Discussion and Analysis and current year's outlook are Management's perception at the time of drawing this report. Actual results may be materially different from those expressed in the statement. Important factors that could influence the Company's operations include demand and supply conditions, availability of inputs and their prices both domestic and global, changes in Government regulations, tax laws, economic developments within the country and other factors such as litigation and industrial relations.

OVERVIEW OF GLOBAL BUSINESS ENVIRONMENT

The year 2016-17 marked another challenging and eventful year for the world economy owing to sluggish global trade, subdued investment, heightened geopolitical uncertainty, regional protectionism and change of leadership in some of the leading global economies. There have been several impacting events like – election of new President in the USA, UK's protectionism through BREXIT, potential political insulation of other EU economies, entry of Iran in global oil supply, missile and nuclear testing by North Korea, tension in Indo-Pak border – all these are expected to have serious impact on world trade and commerce. Amidst all these, global growth was subdued in 2016, which is projected to improve only marginally in 2017 largely on the back of recovery in emerging markets and select developing economies. Growth in these markets, as well as some developed economies, is expected to pick up in 2017 on the back of improved commodity prices, resumption in investments, improved consumer confidence and increasing consumption on the back of pent up demand.

Emerging markets and developing economies account for more than one-third of the global GDP and about three-quarters of the world's population. Any slowdown in these economies can have a consequent effect on the developed nations. Weak investments in these economies pose a significant challenge. While policy priorities depend on country circumstances, policy makers are progressively employing full range of cyclical and structural policies to accelerate investment growth in these countries.

Expected steady revival in global trade in 2017 will be driven by likely rebound in import demand from large emerging economies. The pace of the recovery will, however, be slower than expected due to downward revisions of growth prospects in major advanced economies, persistent weakness in global investment and slower trade liberalisation amid uncertainty about trade policy in the United States and Europe. While the overall trend for growth in the global economy continues to point upwards, the pace of growth is likely to be moderate in the immediate term.

INDIAN ECONOMY, INDUSTRY & SCENARIO

The F.Y. 2016-17 was marked by a variety of institutional reforms such as the implementation of the Insolvency and Bankruptcy Code, creation of Monetary Policy Committee, redesigning of the Fiscal Responsibility and Budget Management (FRBM) framework, passage of Goods and Service Tax (GST) and finally, the policy thrust towards a less-cash formal economy. In addition, the trend of benign inflation and continued improvement in twin deficits further bolstered the country's macroeconomic parameters.

In November 2016, the Government of India announced a bold step of withdrawing INR 500 & INR 1000 denomination notes with immediate effect. This step was targeted at the unaccounted money in the economy. The step initially had lots of criticism from various fronts. However the intentions, commitments and integrity of Government to move forward with this step have been supported by public at large and industry considering it a short term pain for long term gain. The economy at large have have come to terms with the Government move and performed well without any significant downward growth.

With a GDP at US\$ 2 trillion, India's economy ranks as the seventh largest in the world. Economy experts and opinion makers are optimistic of India's economic resurgence and expect the nation's GDP growth to rebound in the range of 6.75-7.5% in 2017-18 catalysed by two important triggers – the GST rollout and thrust on infrastructure creation through a large allocation in Union Budget 2017-18.

The other factors affecting the economy have played the balancing role to stimulate it. The domestic interest rates remained favorable to industry with downward trends. The Indian rupee was also less volatile compared to other global currencies. The Indian rupee also largely remained stable during the BREXIT period from June to February.

The Government of India remained supportive to industry and various steps announced has the short term positive impact and would have long term positive outcome. The Government commitment to go as per schedule for GST implementation would also have positive impact in widening the tax base by higher level of tax compliance.

INDUSTRY STRUCTURE AND DEVELOPMENTS & COMPANY'S PERFORMANCE

The Company has inherent strength to have multiple operating segments under its roof. Maize Processing segment is gaining further strength as the Company sees robust growth opportunities. It has proved to cash cow which is fueling further capex with the help of internal accruals which in turn keeps the interest costs in check.

The agro processing segment is consistently helping Company to maintain the level of revenue growth of the Company.

The cotton yarn segment is helping to maintain its presence in the textile sector with well accepted products profile in Indian and global markets. These three segments are pillar of the Company and using the respective strength to overcome the weakness due to global conditions.

The three base pillars are supported ably by power generation at each location of the Company. The Company is generating power by using non conventional sources of energy and thus contributing towards generating clean energy. This pillar is using wind, sun and industrial waste to the maximum extent and supporting aggressively to the national agenda of keeping the country environmental friendly

During the year, the Company has also successfully completed buyback of equity shares.

Maize Processing Segment

The segment maintained its growth in last financial year. The growth in production is about 10% and in top line the growth is about 14% the steady growth also helped the segment to sustain its earning level at around 15%.

During the year the Company has focused on more derivative production across all the plants. The Company also added the dextrose anhydrous derivative at the Karnataka plant. The Company is also planning to other derivative products at Uttaranchal and Himmatnagar manufacturing locations.

The fourth corn milling unit of the Company at Chalisgaon is under final stage of implementation and the commercial production is slated to commence by September/October, 2017.

The segment is also contributing to sustain the export revenue of the Company. In future we shall endeavor to explore new market for corn starch derivatives

The future of the segment is good and would achieve steady growth.

Agro Processing Segment

The segment is operating with twin activities, which by nature are complementing each other. During the year, the solvent extraction operations returned to normal traditional mode and performed with huge improvement. The growth for this operation is by around 99% in top line. The operation also has sizable growth in capacity utilization level. Bumper crop of soya seed increased the procurement for crushing. Also Government action of demonetization proved to be blessing in disguise since it provided opportunity of procuring the soya seeds directly from the farmers.

The refining activity managed its position and worked in tandem with solvent extraction. The outlook for both the operations is expected to be better in current financial year. The positive forecast of monsoon, continued lower international prices of crude edible oil, better parity in soya bean processing and other traditional factors would have end results in enhanced performance for the segment.

Cotton Yarn Segment

The segment had the maximum negatives in past few years. However this segment has earned operational profits during the year reaping the fruits of modernization of its machineries form blow room to winding.

The top line growth of this segment is supported by favourable domestic as well as international prices of yarn the Company could achieve jump in revenue by better capacity utilization and higher yield with advanced technology. Outlook for the segment is steady and positive for the current year also.

Power division and contribution to Renewable Energy

Over a period of past few years, this segment is working as a pillar to core segments. At all the locations of the Company, the captive generation of power is now integral part of respective project. This has helped the Company to minimize the power cost and also reduced the dependence of state power.

The Company is also very much committed on use of non conventional source of energy. More than 60% of power generation of the Company is by using non conventional source of energy. The Company is committed to put this technology in future projects also.

Financial performance and overall analysis

The Company recorded operational revenue of ₹ 3379.07 crores as compared to ₹ 2776.44 crores during the previous financial year. The various profit parameters have significant growth during the year. The Company achieved EBIDTA margin of 8.69% in F.Y. 2016-17 against 7.04% in F.Y. 2015-16.

The Company achieved Earnings before Interest, Depreciation and Tax (EBIDTA) of ₹ 293.58 crores for the F.Y. 2016-17 against that of ₹ 195.49 crores for the F.Y. 2015-16.

The EPS for the year increased to \P 11.50 per share as compared to \P 7.26 of last year. The above performance during the year was at its historic high in all fronts.

Opportunities, Threats, Risks and Concerns (OTRC)

The need of hour is proper appraisal of OTRC. The Company is aware of the same and doing its best to use the Opportunities at its best and the same time to try to its best to mitigate the RTC

Opportunities

- 1. The inclination to develop and enhance value added product profile for end use in domestic as well as international markets
- 2. Commitment to add more capacity and timely use of it
- 3. The commitment of Government to serve industry with highest efficiencies
- 4. Better technology and its implementation
- 5. Health consciousness

Risks & Threats

The opportunities also have other end of RTC:

- 1. Fast change in business cycle
- 2. Political scenario
- 3. Dependency on monsoon
- 4. Tough competition
- 5. Challenges from emerging economies

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company and the Management has established adequate Internal Control systems to ensure reliable financial reporting. Internal Controls also help in assessing, evaluating, safeguarding and shielding the Company from losses and unofficial use or deposition of assets. This ensures that the Company's resources are put to optimum use and all transactions are authorised, recorded and reported correctly to the Management. The Company constantly refines and testifies its internal controls to ensure management effectiveness and efficiencies of operating procedures. The Company always adheres to set guidelines and follows all Accounting Standards prescribed for maintenance of books of accounts and reporting of financial statements. These standards require appointed Independent Internal Auditors to plan risk based audits and execute audits to assess the effectiveness of internal control over various areas of operations and financial reporting throughout the year. Summary of the observation by Internal Auditors is reported to the Audit Committee of the Board of Directors and corrective measures are taken. The Internal Control systems are designed to provide assurances on an ongoing basis so that the business operations function efficiently and ensure that applicable laws, rules, regulations and policies of the Company are followed and the reliability of financial reporting is safeguarded.

OUTLOOK FOR THE YEAR 2017-18

The year started with a subdued demand situation due to expected change in the business environment on account of implementation of GST, however, the year holds better prospects ahead due to better tax compliance and a level playing field for the organized sector. The Company appreciates the efforts of Government for GST implementation, more digitalization and its resolve to play the role of facilitator rather than controller. The Company would be benefited on GST implementation. The onset of good monsoon is also one more positive for the Company. With a focus on developing value added products, we hope for a better time ahead.

ANNEXURE-G TO THE DIRECTORS' REPORT: NOMINATION AND REMUNERATION POLICY

1. Introduction:

Pursuant to provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is required to define general guidelines for the Company's incentive pay to the Board of Directors, Key Managerial Personnel and other Employees of the Company.

The Policy is divided into separate sections for Executive and Non-Executive Directors, Key Managerial Personnel and other Employees of the Company. The remuneration of the Directors and Key Managerial Personnel is considered and recommended by the Nomination and Remuneration Committee under delegated powers from the Board of Directors of Gujarat Ambuja Exports Limited ("Company").

Company's underlying objective is to ensure that individuals are appropriately rewarded relative to their responsibility, experience and value to the Company. This objective has been and continues to be applied as consistently and fairly as possible to all Company's personnel over a prolonged period of time. Only in this way, the Company will be able to attract, retain and motivate high caliber executives and employees, who can perform to the highest levels of expectations.

The Board of Directors of the Company at its meeting held on 26th July, 2014, based on recommendation of Nomination and Remuneration Committee of the Board at its meeting held on 24th May, 2014, has approved the Remuneration Policy of the Company. This revised Policy includes the role of the Nomination and Remuneration Committee to formulate the criteria for determining qualifications, positive attributes and independence of a Director while recommending the remuneration of Directors, KMPs and Senior Management Personnels of the Company and recommend such appointment and assist the Board in ensuring the nomination process.

2. Definitions:

"Listing Regulations" means the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time.

"Act" means the Companies Act, 2013 and Rules framed thereunder, as amended from time to time.

"Board" means Board of Directors of the Company.

"Directors" means Directors of the Company.

"Key Managerial Personnel (KMP)" means

- i. Managing Director or Chief Executive Officer or Manager and in their absence Whole-Time Director;
- ii. Chief Financial Officer;
- iii. Company Secretary.

"Senior Management Personnel" means personnel of the Company who are members of its core management team excluding the Board of Directors including Functional Heads.

3. Objectives and purpose of this Policy

- The purpose of this Policy is to ensure that Directors, KMPs and Senior Management Personnels are remunerated in a way that reflects the Company's long-term strategy. Consistent with this, a high proportion of Directors' total potential remuneration has been, and will be, strongly linked to the Company's long-term performance;
- To align individual and team reward with business performance in both the short term and long term;
- To encourage executives to perform to their fullest capacity;
- To be competitive and cost effective;
- To formulate the criteria for identification and selection of the suitable candidates for the various positions in Senior Management and also candidates who are qualified to be appointed as Director on the Board of Directors of the Company;
- To recommend a Policy, relating to the remuneration for the Directors, Key Managerial Personnel, Senior Management Personnel and other employees of the Company;
- To make recommendations to the Board on appropriate performance criteria for the Directors and carry on the performance evaluation of the Directors;
- To identify ongoing training and education programs for the Board to ensure that Non-Executive Directors are provided with the adequate information regarding the options of the business, the industry and their legal responsibilities and duties:
- To assist the Board in ensuring Board nomination process with the diversity of gender, thought, experience, knowledge and perspective in the Board, in accordance with the Board Diversity policy.
- **4. Nomination and Remuneration Committee** ("the Committee") The Committee comprises of Non-Executive, Independent Directors on the Board of the Company duly constituted under the provisions of the Act and the Listing Regulations.

The Committee at its meeting shall formulate the criteria for determining qualifications, positive attributes and independence of a Director while recommending the remuneration of Directors, KMPs and Senior Management Personnels of the Company. The Committee shall recommend the remuneration after having regard to the below criteria/principles—

- (a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully;
- (b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- (c) remuneration to Directors, KMPs and Senior Management Personnels involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.

5. Criteria for selection of members on the Board of Directors and candidates for KMP and Senior Management Personnel

The Committee has adopted the following criteria for selection of member on the Board of Directors of the Company and also candidates eligible to be appointed as KMPs and Senior Management Personnels of the Company:

INDEPENDENT AUDITOR'S REPORT

To the members of GUJARAT AMBUJA EXPORTS LIMITED

Report on the Indian Accounting Standards (Ind AS) Financial Statements

We have audited the acCompanying Ind AS financial statements of **GUJARAT AMBUJA EXPORTS LIMITED** ("the Company"), which comprise the Balance Sheet as at **31**st **March**, **2017**, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that gives a true and fair view of the financial position, financial performance (including other comprehensive income) and cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design ,implementation and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by ICAI. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **31**st **March, 2017** and its profit (including Other Comprehensive Income) and its cash flows and the changes in equity for the year ended on that date.

Annexure 'B

Annexure to the Independent Auditor's Report of even date on the Ind AS financial statements of "Gujarat Ambuja Export Limited" Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Gujarat Ambuja Exports Limited ("the Company") as of 31st March, 2017 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable Ind AS financial information, as required under the Act.

Auditors' Responsibility

Place: Ahmedabad

Date: 13th May, 2017

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

^{1.} The cash flow statement has been prepared under the indirect method as set out in Indian Accounting Standard (Ind AS 7) Statement of Cash Flows

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 Company Information:

Gujarat Ambuja Exports Limited (Company) is a Public Limited Company domiciled in India. The Company has its registered office at "Ambuja Tower", Opp. Sindhu Bhavan, Sindhu Bhavan Road, Bodakdev, P.O. Thaltej, Ahmedabad, Gujarat 380 059. The Company is an Agro Processing conglomerate with various manufacturing plants at different locations in States of Gujarat, Maharashtra, Madhya Pradesh, Uttarakhand and Karnataka. The Company's product profile includes Solvent Extraction comprising of all types of Oil Seed Processing, Edible Oil Refining, Cotton Yarn Spinning, Maize based Starch and its derivatives, Wheat Processing / Cattle Feed and Power Generation through Wind Mills, Bio gas, Thermal Power & Solar Plant mainly for internal consumption. The Company's shares are listed on BSF and NSF

1.2 Basis of Preparation of Financial Statements:

(i) Compliance with Ind-AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

For all periods up to and including the year ended 31st March, 2016, the Company prepared its financial statements in accordance with accounting standards notified under the Section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules 2014 (Indian GAAP). These financial statements for the year ended 31st March, 2017 are the first the Company has prepared in accordance with Ind AS. Refer Note No. 1.22 for information on how the Company has adopted Ind AS.

The financial statements have been prepared on a historical cost basis, except for certain financial instruments which are measured at fair values.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(ii) Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

(iii) Rounding of amounts

The financial statements are presented in INR and all values are rounded to the nearest crore (INR 00,00,000) as per the requirement of Schedule III, unless otherwise stated.

1.3 Use of Estimates:

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed in Note No. 1.4. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of the changes in circumstances surrounding the estimates.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

1.4 Critical estimates and judgments:

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also need to exercise judgment in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgment are:

Estimation of Defined benefit obligation - refer Note No. 1.16

Estimation of current tax expenses - refer Note No. 1.8

Government grant - refer Note No. 1.7

1.5 Fair value measurement:

The Company measures financial instruments, such as, derivatives at fair value as per Ind AS 113 at each balance sheet date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.6 Revenue recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. As the recovery of excise duty flows to the Company on its own account, revenue includes excise duty.

However, sales tax/ value added tax (VAT) is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of goods

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Excise duty paid for captive consumption of goods, where CENVAT credit is not available, is shown as excise expense.

Interest income

Interest income on financial asset is recognised using the effective interest rate (EIR) method.

Dividends

Dividend income from investment is accounted for when the right to receive is established, which is generally when shareholders approve the dividend.

Other Income

Other income is recognised when no significant uncertainty as to its determination or realisation exists.

1.7 Government grants:

- a Government grants are recognised in accordance with the terms of the respective grant on accrual basis considering the status of compliance of prescribed conditions and ascertainment that the grant will be received.
- b Government grants related to revenue are recognised on a systematic and gross basis in the Statement of Profit and Loss over the period during which the related costs intended to be compensated are incurred.
- c Government grants related to assets are recognised as income in equal amounts over the expected useful life of the related asset.
- d When the Company receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments.

1.8 Taxes:

Tax expenses comprise of current and deferred tax.

Current income tax

- a Current tax is measured at the amount expected to be paid on the basis of reliefs and deductions available in accordance with the provisions of the Income Tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.
- b Current tax items are recognised in correlation to the underlying transaction either in P&L, OCI or directly in equity.

Deferred tax

- a Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.
- b Deferred tax liabilities are recognised for all taxable temporary differences.
- c Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, the carry forward of unused tax credits and unused tax losses can be utilized.
- d The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.
- e Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is the reporting date.
- f Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.
- g Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

The Company recognizes tax credits in the nature of MAT credit as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which tax credit is allowed to be carried forward. In the year in which the Company recognizes tax credits as an asset, the said asset is created by way of tax credit to the Statement of Profit and Loss. The Company reviews such tax credit asset at each reporting date and writes down the asset to the extent, the Company does not have convincing evidence that it will pay normal tax during the specified period. Deferred tax includes MAT credit.

1.9 Property, Plant and Equipment:

Under the previous GAAP (Indian GAAP), fixed assets (including Capital work in progress) are stated at cost net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price, borrowing costs, if capitalisation criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use. The Company has elected to regard previous GAAP carrying values of property as deemed cost at the date of transition to Ind AS.

Capital Work in progress included in PPE is stated at cost, net accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term constructions projects if the recognition criteria is met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

The Company adjusts exchange differences arsing on translation difference/settlement of long term foreign currency monetary items outstanding as at 31st March, 2016 and pertaining to the acquisition of a depreciable asset to the cost of asset and depreciates the same over the remaining life of the asset. The depreciation on such foreign exchange difference is recognised from first day of its financial year.

Borrowing cost relating to acquisition/construction of fixed assets which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Depreciation is calculated on a straight-line basis over the estimated useful life of the assets as prescribed under Part C of Schedule II of the Companies Act, 2013 except for the assets mentioned below for which useful lives estimated by the management. The identified component of fixed assets are depreciated over the useful lives and the remaining components are depreciated over the life of the principal assets.

In respect of Power Plant and Biogas Engines, the Company based on technical evaluation, identified the assets and components and reassessed the remaining useful lives of tangible fixed assets and depreciation is provided accordingly.

The following is the useful life of each category of assets in respect of Power Plant and Biogas Engines:

Asset Description	Life of Asset (Years)
Plant and Machineries of Thermal Power Plant	3 to 25 years
Biogas Engines	10 years

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Further, the Company evaluated the useful life of certain components of Plant and Machinery, the impact of which is not material. Assets costing ₹ 5,000 or less are fully depreciated in the year of purchase. Leasehold land is amortised over the period of lease. Leasehold improvements are amortized over the period of lease or estimated useful life, whichever is lower.

1.10 Intangible assets:

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit and loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expenses on intangible assets with finite lives is recognised in the Statement of Profit and Loss unless such expenditure forms part of carrying value of another asset.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

The Company has elected to regard previous GAAP carrying value of Intangible Assets as deemed cost at the date of transition to Ind AS

Useful lives of intangible assets

<u> </u>		
Asset Description	Life of Asset (Years)	
Trade Mark	10 years	
Computer Software	10 years	

1.11 Borrowing costs:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs. General borrowing costs are capitalised at the weighted average of such borrowings outstanding during the year.

1.12 Leases:

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

For arrangements entered into prior to 1st April, 2015 the Company has determined whether the arrangement contain lease on the basis of facts and circumstances existing on the date of transition.

Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Finance leases are capitalised at the commencement of the lease at the inception date fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company's general policy on the borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except the case where incremental lease reflects inflationary effect and lease expense is accounted in such case by actual rent for the period.

1.13 Inventories:

Inventories are valued as under:

- a RAW MATERIALS, PACKING MATERIALS AND STORES & SPARES :
 - Valued at lower of cost or net realizable value and for this purpose cost is determined on weighted average basis. Due provision for obsolescence is made.
- h FINISHED GOODS & WORK IN PROGRESS .
 - At cost or net realizable value, whichever is lower. Cost is determined on absorption basis. Due provision for obsolescence is made.
- c BY- PRODUCTS:
 - At net realizable value
- d STOCK-IN-TRADE :

Valued at lower of cost or net realizable value and for this purpose cost is determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

$\textbf{1.14} \hspace{0.2cm} \textbf{Impairment of financial assets \& non-financial assets:} \\$

a Financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of ECL (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in the Statement of Profit and Loss.

b Non-financial assets

Intangible assets and Property, Plant and Equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior year.

Goodwill is tested for impairment annually as at every year end and when circumstances indicates that the carrying value may be impaired.

Impairment is determined for goodwill by assessing the recoverable amount of each Cash Generating Unit (i.e. CGU) (or group of CGUs) to which the goodwill relates. When the recoverable amount of the CGU is less than its carrying amount, an impairment loss is recognised. Impairment loss is recognised. Impairment loss is recognised.

Intangible assets with indefinite useful lives are tested for impairment annually as at year end at the CGU level, as appropriate, and when circumstances indicate that the carrying value may be impaired.

1.15 Provisions, Contingent Liabilities and Contingent Assets:

- a Provisions are recognised when the Company has present obligation (legal or constructive) as a result of past events, for which it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation. Contingent Liabilities are disclosed by way of notes to Financial Statements. Contingent assets are not recognised in the financial statements but are disclosed in the notes to the financial statements where an inflow of economic benefits is probable. Provisions and contingent liabilities are reviewed at each Balance Sheet date.
- b If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

1.16 Employee benefits:

a Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages, short term compensated absences etc., and the expected cost of bonus, ex-gratia are recognised in the period in which the employee renders the related service.

- b Post-Employment Benefits:
 - i) Defined Contribution Plans:

State governed Provident Fund Scheme and Employees State Insurance Scheme are defined contribution plans. The contribution paid / payable under the schemes is recognised during the period in which the employees render the related services.

ii) Defined Benefit Plans:

The Employee's Gratuity Fund Scheme and compensated absences is Company's defined benefit plans. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefits entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government Securities as at the Balance Sheet date, having maturity periods approximating to the terms of related obligations.

For defined benefit plans, the amount recognised as 'Employee benefit expenses' in the Statement of Profit and Loss is the cost of accruing employee benefits promised to employees over the year and the costs of individual events such as past/future service benefit changes and settlements (such events are recognised immediately in the Statement of Profit and Loss). The amount of net interest expense calculated by applying the liability discount rate to the net defined benefit liability or asset is charged or credited to 'Finance costs' in the Statement of Profit and Loss. Any differences between the interest income on plan assets and the return actually achieved, and any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised immediately in 'Other comprehensive income' and subsequently not reclassified to the Statement of Profit and Loss.

All defined benefit plans obligations are determined based on valuations, as at the Balance Sheet date, made by independent actuary using the projected unit credit method. The classification of the Company's net obligation into current and noncurrent is as per the actuarial valuation report.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligations under the defined benefit plans, to recognise the obligation on net basis. Gains or losses on the curtailment or settlement of any defined benefits plans are recognised when the curtailment or settlement occurs. Past service cost is recognised as expense on a straight-line basis over the average period until the benefits become vested.

c Long Term Employee Benefits:

The employees' long term compensated absences are Company's defined benefit plans. The present value of the obligation is determined based on the actuarial valuation using the projected unit credit method as at the date of the balance sheet. In case of funded plans, the full value of plan assets is reduced from the gross obligation to recognise the obligation on the net basis.

1.17 Financial instruments:

Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss). and
- (2) those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following categories:

(1) Amortised cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.

(2) Fair value through other comprehensive Income

Assets that do not meet the criteria for amortised cost are measured at fair value through Other Comprehensive Income. Interest income from these financial assets is included in other income.

Equity instruments

The Company measures its equity investment other than in subsidiaries, joint ventures and associates at fair value through profit and loss. However where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (Currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.

Financial liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

1.18 Cash and cash equivalents:

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

1.19 Cash flow statement:

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

1.20 Standard Issued but not yet effective:

In March 2017, the Ministry of Corporate Affairs has issued the Companies (Indian Accounting Standards) (Amendment) Rules, 2017, notifying amendments to Ind AS 7, 'Statement of Cash Flows' and Ind AS 102, 'Share-based Payments'. These amendments are in accordance with the recent amendments made by International Accounting Standards Board (IASB) to IAS 7, 'Statement of Cash Flows' and IFRS 2, 'Share-based Payment', respectively. The amendments are applicable to the Company from 1st April, 2017.

Amendment to Ind AS 7

The amendment to Ind AS 7 required the entities to provide disclosures that enables users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement.

The Company has evaluated the disclosure requirements of the amendment and the effect on the financial statements is not expected to be material.

Amendment to Ind AS 102

The amendment to Ind AS 102 provides specific guidance for the measurement of cash settled awards, modification of cash settled awards and awards that include a net settlement features in respect of withholding taxes. As the Company does not have such nature of transaction, this amendment does not have any effect on the financial statements of the Company.

1.21 Proposed Dividend and authorisation of financial statements:

Dividend recommended by the Board of Directors is not provided for in the accounts, and is pending approval at the Annual General Meeting. The financial statements were authorised for issue by directors on 13th May, 2017.

1.22 Note on First Time Adoption of Ind AS:

The accounting policies set out in the note here have been applied in preparing the financial statements for the year ended 31st March, 2017, the comparative information presented in these financial statements for the year ended 31st March, 2016 and in the preparation of an opening Ind AS balance sheet at 1st April, 2015 [the Company's date of transition].

In preparing its opening Ind AS balance sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies [Accounting Standards] Rules, 2006 [as amended] and other relevant provisions of the Act [Indian GAAP]. An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following notes.

Exemptions and exceptions availed:

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from Indian GAAP to Ind AS.

Optional exemptions

a Deemed cost

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the Indian GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets. Accordingly, the Company has elected to measure all of its property, plant and equipment and intangible assets at their Indian GAAP carrying values.

h Leases

Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangement. Ind AS 101 provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected to be not material. The Company has elected to apply this exemption for such contracts/arrangements.

Mandatory exceptions

c Estimates

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with Indian GAAP [after adjustments to reflect any difference in accounting policies], unless there is objective evidence that those estimates were in error.

Ind AS estimates as at 1st April, 2015 and 31st March, 2016 are consistent with the estimates as at the same date made in conformity with Indian GAAP. The Company made estimates for following items in accordance with Ind AS at the date of transition as these were not required under Indian GAAP:

- a Investment in equity instruments carried at FVTPL.
- b Investment in debt instruments carried at Amortised Cost.
- c Impairment of financial assets based on expected credit loss model.
- d Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

e De-recognition of financial assets and liabilities

Ind AS 101 requires a first-time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first-time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from a date of the entity's choosing, provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognised as a result of past transactions was obtained at the time of initially accounting for those transactions.

The Company's management had previously issued its audited financial results for the year ended 31st March, 2016 on 30th April, 2016, that were all prepared in accordance with the recognition and measurement principles of the Companies (Accounting Standards) Rules, 2006 prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules issued thereunder and other accounting principles generally accepted in India. The Company's management has now prepared the Ind AS Financial Statements for the year ended 31st March, 2017 in accordance with the recognition and measurement principles laid down by the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant Rules issued thereunder and other accounting principles generally accepted in India.

The Company has prepared a reconciliation of the amounts of net profit as reported under the Indian GAAP to those computed as per Ind AS and the same is given in note below. The Company has also prepared a reconciliation of the amounts of total equity as reported under the Indian GAAP to those computed as per Ind AS and the same is given in note below.

1.23 Note on Transition to Ind AS - Reconciliations:

The following reconciliations provide the explanations and quantification of the differences arising from the transition from Indian GAAP to Ind AS in accordance with Ind AS 101:

- I. Reconciliation of Equity as at 1st April, 2015
- II. A. Reconciliation of Equity as at 31st March, 2016
 - B. Reconciliation of Statement of Profit and Loss for the year ended 31st March, 2016
- III. Adjustments to Statement of Cash Flows for the year ended 31st March, 2016

Previous GAAP figures have been reclassified/regrouped wherever necessary to conform with financial statements prepared under Ind AS.

Notes:

To comply with the Companies (Accounting Standard) Rules, 2006, certain account balances have been regrouped as per the format prescribed under Division II of Schedule III to the Companies Act, 2013.

Foot Note to the Reconciliations

a Remeasurement cost of net defined liability

Both under Indian GAAP and Ind AS, the Company recognised costs related to its post-employment defined benefit plan on an actuarial basis. Under Indian GAAP, the entire cost, including actuarial gains and losses, are charged to profit or loss. Under Ind AS, remeasurements comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets excluding amounts included in net interest on the net defined benefit liability are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI.

b Fair valuation for Financial Assets & Financial Liabilities

Certain investments (other than investments in subsidiaries, joint ventures and associates) have been measured at fair value through profit or loss and resultant gain/(loss) has been recognised in Statement of Profit and Loss (FVTPL).

c Fair Valuation of equity instruments

Under Indian GAAP, the Company accounted for long term investments in unquoted equity shares as investment measured at cost less provision for other than temporary diminution in the value of investments. Under Ind AS, the Company has classified such investments as FVTPL investments. At the date of transition to Ind AS, difference between the instruments fair value and Indian GAAP carrying amount has been recognised as an adjustment to profit or loss net of related deferred taxes.

d Deferred Tax

The impact of transition adjustments together with Ind AS mandate of using balance sheet approach (against profit and loss approach in the Indian GAAP) for computation of deferred taxes has resulted in charge to Reserves, on the date of transition, with consequential impact to the Statement of Profit and Loss account for the subsequent periods.

e Other comprehensive income

Under Indian GAAP, the Company has not presented other comprehensive income (OCI) separately. Hence, it has reconciled Indian GAAP profit or loss to profit or loss as per Ind AS. Further, Indian GAAP profit or loss is reconciled to total comprehensive income as per Ind AS.

f Reclassification as per requirement of Ind AS

Reclassification have been done in respective heads as per requirement of Indian Accounting Standards (Ind AS).

g Government Grant

Grant received from the Government relating to the purchase of fixed asset and deducted from the carrying amount of corresponding fixed asset under Indian GAAP and outstanding as on transition date has been recognized as deferred income under Ind AS with the corresponding adjustment to the carrying amount of Property, plant and equipment (net of cumulative depreciation impact) and opening retained earnings.

h Excise Duty

Under Indian GAAP, revenue from sale of goods was presented net of excise duty whereas under Ind AS, the revenue from sale of goods is presented inclusive of excise duty. The excise duty is presented on the face of the Statement of Profit and Loss as part of expenses.

Reconciliation of total comprehensive income between previously reported (referred as "Indian GAAP") and Ind AS for the year ended 31st March, 2016 is presented as under: (₹ in crores)

38. Fair Value Measurement

Financial Instrument by category and hierarchy

The fair value of the financial assets and liabilities are included at the amount of which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- Fair Value of Cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amount largely due to short term maturities of these instruments.
- 2. Financial instruments with fixed and variable interest rate are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counter party. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair values of such instruments is not materially different from their carrying amounts:-

For the financial assets and liabilities that are measured at fair values, the carrying amount are equal to the fair value.

• Fair value Hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.
- Level 2: Other techniques for which all inputs which have a significant effect on the recoded fair value are observable, either directly or indirectly.
- Level 3: Techniques which use inputs that have a significant effect on the recoded fair value that are not based on observable market data.

For assets which are measured at fair value as at Balance Sheet date, the classification of fair value calculations by category is summarized below:

(₹ in crores)

39. Capital Risk Management

Equity Share capital and other equity are considered for the purpose of Company's capital management.

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the Company is based on management's judgment of its strategic and day-to-day needs with a focus on total equity to maintain investor, creditors and market confidence and to sustain future development and growth of its business.

The management and the Board of Directors monitors the return on capital as well as the level of dividends to shareholders. The Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

40. Financial Risk Management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risks. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company has constituted a Risk management committee, which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

A. Management of Liquidity Risk

Liquidity risk is the risk that the Company will face in meeting its obligation associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this management considers both normal and stressed conditions.

Due to dynamic nature of the underlying businesses, Company treasury maintains flexibility in funding by maintaining availability of under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows.

The following table shows the maturity analysis of the Company's financial liabilities based on the contractually agreed undiscounted cash flows along with its carrying value as at the Balance sheet date.

B. Management of Market Risk

The Company's size and operations result in it being exposed to the following market risks that arise from its use of financial instruments:

- Foreign Currency risk
- Equity risk
- Interest rate risk

Management Policy

The Company manages foreign currency exposures within the prescribed limits, through use of forward exchange contracts. Foreign currency exchange rate exposure is partly balanced by purchasing of goods/commodities in the respective currencies.

Sensitivity to Risk

A change of 5% in foreign currency would have following impact on profit before $\ensuremath{\mathsf{tax}}$

(₹ in millions)

Particulars	For the ye 31 st Marc		For the year ended 31st March, 2016		
	5% increase	5% decrease	5% increase	5% decrease

Increase/ decrease in profit & loss	(163.59)	163.59	(93.91)	93.91	

(ii) Price Risk

The Company's exposure to equity securities price risk arises from investments held by the Company and classified in the balance sheet at fair value through profit and loss. To manage its price risk arising from investments in equity securities, the Company diversifies its portfolio. Diversification of the portfolio is done in accordance with the limits set by the Company.

Sensitivity Analysis

The table below summarizes the impact of increases/decreases of the BSE index on the Company's equity and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5% or decreased by 5% with all other variables held constant, and that all the Company's equity instruments moved in line with the index.

A change of 5% in market index would have following Impact on profit before tax

(₹ in crores)

Particulars	Year ended 31 st March, 2017	Year ended 31 st March, 2016
BSE Index 100 - Increase by 5%	1.34	1.32
BSE Index 100 - Decrease by 5%	(1.34)	(1.32)

The above referred sensitivity pertains to quoted equity investments. Profit for the year would increase/decrease as a result of gains/losses on equity securities as at Fair Value through Profit or Loss (FVTPL).

(iii) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

According to the Company interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming that the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

Exposure to interest rate risk

C. Management of Credit Risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through out each reporting period. To assess whether there is a significant increase in credit risk, the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

The Ageing analysis of Account receivables has been considered from the date the invoice falls due

41. Earnings per Share (EPS) as per Indian Accounting Standard 33:

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the parent (after adjusting for interest on the convertible preference shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

NOTES TO FINANCIAL STATEMENTS

F. Sensitivity

The sensitivity of the defined benefit obligation to changes in the weighted key assumptions are as under:

(₹ in crores)

Gratuity:	As	at 31st March, 2	017	As at 31st March, 2016			
	Change in	Increase in	Decrease in	Change in	Increase in	Decrease in

Salary Escalation Rate	100 bps	1.04	(0.90)	100 bps	0.99	(0.86)	
Attrition Rate	100 bps	0.00	(0.01)	100 bps	0.02	(0.02)	

The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual changes. It is based on a changes in the key assumptions while holding all other assumptions constant. When calculating the sensitivity to the assumptions, the method (Projected Unit Credit Method) used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

G. The defined benefit obligations shall mature after year end 31st March, 2017 as follows:

(₹ in crores)

Gratuity:	As at 31 st March, 201	As at 31st March, 2016
2018	1.4	
2019	0.3	0.30
2020	0.:	0.42
2021	0.0	0.69
2022	0.0	0.84
Thereafter	3.9	98 6.15

Risk Exposure - Asset Volatility

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is in fixed income securities with high grades and in government securities. These are subject to interest rate risk and the fund manages interest rate risk derivatives to minimize risk to an acceptable level. A portion of the funds are invested in equity securities and in alternative investments % which have low correlation with equity securities. The equity securities are expected to earn a return in excess of the discount rate and contribute to the plan deficit.

(iii) Leave obligations

The leave obligations cover the Company's liability for sick and earned leave. The amount of the provision of ₹ 3.44 crores [31st March,16: ₹ 2.52 crores] [1st April,15: ₹ 2.07 crores] is presented as current, since the Company does not have an unconditional right to defer settlement for any of these obligations.

(iv) Defined contribution plans

The Company also has certain defined contribution plans. Contributions are made to provident fund in India for employees at the rate of 12% of basic salary as per regulations. The contributions are made to registered provident fund administered by the government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards defined contribution plan is \mathfrak{T} 2.72/-.

46. Disclosure as per Accounting Standard 37 relating to Provisions:

- 3. Equity Shares of the Company are under compulsory dematerialization and to get benefits of dematerialization, please send equity shares of GAEL of ₹ 2/- each for dematerialization through your Depository Participant (DP). ISIN No. of the Company is INFO36801022
- 4. Kindly get your shares transmitted in the name of second holder/ legal heirs, in case of death of first holder/single holder, as the case may be, at the earliest.
- 5. Kindly register your change of address with the Company and get acknowledgement for registration
- 6. As per Regulation 40(7) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, all transferee(s) as well as transferor(s) are compulsorily required to submit copy of PAN card alongwith transfer form, in absence of which, request for transfer will be rejected. In cases where PAN card is not available i.e. in case of residents of Sikkim, the requirement of PAN card may be substituted with Identity proof.
- Members holding shares in physical form and desirous of making nomination may request for Form No. SH-13 from the Company
 or Share Transfer Agent, Jupiter Corporate Services Limited. Nomination Form is also available on the website of the Company i.e.
 www.ambujagroup.com
- Please quote your Folio No. and other details in all communication/correspondence with the Company and/or Share Transfer
 Agent of the Company.

(b) Members holding shares in dematerialised form:

- Kindly update your change of address and bank details/particulars alongwith MICR Code, Core Banking Account Number with your Depository Participant (DP) to get corporate benefits and serve you better.
- 2. Kindly quote your Client ID along with DP ID in all your correspondence/communication with the Company and/or Share Transfer Agent of the Company.

(II) Dividend (Physical and Demat Shares):

If you are holding unpaid dividend warrants/warrants not received by you for the financial year as referred in notes to Notice of the Meeting, you are requested to send the same for revalidation/apply for duplicate dividend warrants. In view of provisions of Sections 124 and 125 of the Companies Act, 2013, the amount of dividend remaining unclaimed for a period of 7 (seven) years shall be transferred to the Investor Education and Protection Fund (IEPF). In view of the above, all shareholders are requested to ensure that any dividend payable to them, are claimed without any delay.

(III) Dematerialization of Equity Shares:

Trading in the shares of the Company can be done in dematerialized form only. Dematerialization would facilitate paperless trading through state-of-the-art technology, quick transfer of corporate benefits to Members and avoid inherent problems of bad deliveries, loss in postal transit, theft and mutilation of share certificate and will not attract any stamp duty. Hence, we request all those Members who have still not dematerialized their shares to get their shares dematerialized at the earliest.

(IV) Bank Mandate:

- 1. The Securities and Exchange Board of India (SEBI) vide its press release dated 3rd September, 2015 had issued the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Regulations") applicable from 1st December, 2015 to all listed entities pursuant to which the listed entities are required to use any of the electronic mode of payment facility approved by the Reserve Bank of India, in the manner specified in Schedule I of the Regulations, for the payment of (a) dividends; (b) interest; (c) redemption or repayment amounts. Accordingly, the Members, holding shares in physical form, are requested to update their address or provide / update their bank mandate (including details of MICR, IFSC etc.) with the Company or Share Transfer Agent, Jupiter Corporate Services Limited (STA) and Members holding shares in dematerialized form are requested to intimate any change in their address or to change / update bank mandate with their Depository Participant (DP) to enable the Company or STA for making arrangements for electronic credit of dividend / other benefits to Members.
- 2. Kindly note that as per RBI notification, with effect from 1st October, 2009 the remittance of money through Electronic Clearing Service (ECS) is replaced by National Electronic Clearing Service (NECS) and banks have been instructed to move to the NECS platform with immediate effect. The advantages of NECS over ECS include faster credit of remittances to beneficiary's account, coverage of more bank branches and ease of operations for remitting agencies.
- 3. NECS essentially operates on the new and unique bank account number allotted by banks post implementation of Core Banking Solutions (CBS) for centralized processing of inward instructions and efficiency in handling bulk transactions.
- 4. In this regard, if you hold shares in electronic form, please furnish the new Bank Account Number allotted to you by your bank after implementation of CBS, along with a photocopy of a cheque pertaining to the concerned account, to your DP, at your convenience and for shares held in physical form to Share Transfer Agent, Jupiter Corporate Services Limited. This will further facilitate to comply with Regulation 12 of the Regulations in terms of printing the bank account details of the Members on physical payment instruments.
- 5. If you do not provide your new account number allotted after implementation of CBS by your bank to your DP, please note that ECS to your old account may either be rejected or returned.
- 6. NRI Members of the Company are requested to update their bank account details with the Share Transfer Agent/Company, for getting the electronic credit of dividend/other benefits.
- 7. Please ignore the instruction above, in case you have already submitted the necessary details to your DP/ Share Transfer Agent of the Company, as the case may be.

(V) Updation of Email Ids - A Green Initiative:

With a view to conserve natural resources, we request Members to update and register their email addresses with their Depository Participants (DP) or with the Company, as the case may be, to enable the Company to send communications including Annual Report, Notices, Circulars etc. electronically.

(VI) Share Transfer Agent:

Kindly note that Share Transfer Agent of the Company is Jupiter Corporate Services Limited, "Ambuja Tower", Opp. Sindhu Bhavan, Sindhu Bhavan Road, Bodakdev, P.O.
